The RIT Athletic Association began 24 years ago with a shared vision of providing an enhanced quality of life for our student-athletes.

Over the years, RIT has established itself both in the classroom and on the playing field as one of the premier institutions in NCAA Division III athletics. Two national championships in hockey (1983 and 1985) and countless NCAA tournament appearances in basketball, cross country, lacrosse, soccer, volleyball and wrestling reflect on this prominence.

The Tiger Open has been a major fundraiser for RIT's nationally recognized athletic program, as well as an excellent opportunity to bring RIT alumni, faculty and staff, friends and other supporters together for a day of fun and friendship.

The RIT Athletic Association in collaboration with the RIT Alumni Relations office hopes you will join us for our best tournament ever.

**Last year's event sold out, put your ball
in the cup early: register today!**

About the RIT Athletic Association

The RIT Athletic Association seeks to impact the student-athlete in direct and positive ways. Through its fund raising efforts, the Association has been able to support many projects which meet important needs in developing overall program quality for the student.

Some recent projects have included the funding of preseason trips and training sessions. Every team at RIT is impacted by the Association's funding. This support enables the purchase of new equipment and training devices which helps our student-athletes move closer to their goals.

Penfield Country Club

Penfield Country Club was founded in 1958. Recent improvements has elevated the caliber of the golf course to one of Rochester's finest. The Penfield Country Club has played host to numerous championships. This summer Penfield will proudly host the NYS Men's Amateur Qualifier and an LPGA Pro-Am charity event. Rochester Institute of Technology is excited to offer the 24th Tiger Open at Penfield Country Club, one of the finest courses in Rochester.
